### Members:

Various Artists & Bands, including DUB STATION & the following: Abijah (JA), Winstrong & Roberto Gell (CA-based), Sonbeam (UK), Tom O'Brien (East Coast), and more - additional acts available

### Influences:

The greats from back when, but now: any Artist, Radio or Agent with vision, who isn't afraid to expand their horizons and try something different - think outside the box!

### Sounds Like:

Progressive Reggae Music; contemporary artists rooted in tradition; message-driven acts with original, cultural sounds.

### About The Artist:

KRucial Reggae is the flagship bringing forward a host of culturally conscious artists. If you like any of the music featured, don't hesitate to call 617-771-5119 for booking or info. Downloads are free to registered radio stations (and in broadcast quality)!

Most immediately, we're touring Winstrong & Roberto Gell with the bands I-Trinity & Dub Station through Southern California at the end of March (visit [Reggae4i.com](http://Reggae4i.com) for more information). A NorCal run is planned for early May, and many other appearances are in the works as Roberto Gell celebrates the official release of his premier EP through iTunes 4/20/09 and Winstrong prepares for the relaunch of his successful album now entitled "Boom Boom Blah Blah."

KRucial Reggae is a production & promotional company with 15 years experience ... [Read More](#)
