Look for the new release later this year - conscious music that transcends genres - the right sound at the right time.

A native of Detroit, Jus Goodie's been steeped in the Motown tradition. He's also absorbed R&B and Hip Hop vibes, which turned up expertly on some of this short "best of" list, some drawn from his first collection "Freedom Song," which was released in collaboration with the ZionWay recordings. Other featured songs are straight-ahead Reggae: all well-written, uptempo, uplifting lyrics that showcase Goodie's fiery but pure-hearted energy.

Rhythm out-takes and singles are planned, along with the development and integration of Goodie's new production efforts with ... [Read More](#)
