Supplementing KRucial REGGAE promotions...

In our efforts to think (and reach) outside the box, we are attracting new audiences & artists to our existing KRucial Reggae family. Having our flagship band Dub Station - with 15+ years backing world class Artists - mingle with Hip Hop artists has proven a unique and promising musical adventure. We hope this new work will branch out and lead to future events in this series, as well as recordings and joint ventures of all sorts.

We do have some outstanding shows coming up - a "back by popular demand" Marley Tribute in Haverhill next weekend, a ThanksGiving event in honor of WZBC's Robin "the Dynamic One" Thanksgiving Wednesday, a Reunion Show with Dion Knibb at Church club December 12 - MLK weekend in January...and an inspiring Thursday series coming up at Johnny D's in Somerville next year.
